

# First And Last Loves

You may not be her first, her last, or her only.  
She loved before she may love again. But if she  
loves you now, what else matters?

She's not perfect - you aren't either, and the  
two of you may never be perfect together but  
if she can make you laugh, cause you to think  
twice, and admit to being human and making  
mistakes, hold onto her and give her the most  
you can.

She may not be thinking about you every  
second of the day, but she will give you a part  
of her that she knows you can break - her  
heart.

So don't hurt her, don't change her, don't  
analyze and don't expect more than she can  
give. Smile when she makes you happy, let her  
know when she makes you mad, and miss her  
when she's not there.
